

Camping site rules

Dear Camper,

Welcome to our Camping site!

We are happy to have you coming and our employees will make an effort to create the day or weeks you'll stay here as pleasant as the can.

So that your stay can pass through without difficulties, we ask you to pay attention to the following rules.

General:

- In setting up of cars, caravans or tents please follow the instructions of the administration.
- Please also pay attention that nobody is endangered while setting up accommodation tent stakes, tent strings etc.
- We are sure that you pay the same attention to cleanliness as we do. Therefore we ask you to leave the sanitary facilities, how you want to find them yourselves. Children are only allowed to use the showers and the toilets in company with adults. When washing your car please use the car wash place outside.
- For safety reasons no open fire not allowed on the campsite.
- Please have consideration for the other guests and avoid loud. Please set your radios, televisions etc. Set as quiet as possible. During the siester-break conversations should also be quiet. The silence of the night starts at 10 pm and ends at 8 am. Between 12 pm and 2 pm is lunch break. During the break we don't register new arrivals. Also it's forbidden to drive with the car during this time in the camping site. Arriving guests are able to park their cars in front of the entrance.
- Cars are only allowed to drive at a in low speed on the fixed free paths. The paths are free for vehicles until a weight of 2,7t. If you want to drive with a larger vehicle in the camping site, please inform the administration.
- We have special fields available, please use them for various ball games.
- Dogs and other pets are absolutely forbidden to bathe in the lake. Safety swimming in the lake is at peoples own interest. Parents have to take care for their children. It's also a worthwhile place for skating or other sport on closed ice surface during the winter months. Non-swimmers and small children are only allowed to swim with drift sleeves and under supervision of the adults. They have to reside in the marked areas for non-swimmers or the parents have to look after them. Pets are not allowed to reside in the camping site without a leas. Please pay attention that the camping site will not be spoilt because of the pets, if necessary you have to clean up the pollution.
- The camping site is not were for conduction business. The access for any dealers is forbidden.
- The heating of the caravans/ mobile homes as well as the cooking is only allowed with gas (no electricity equipment). The need of gas bottles are purchased only by the administration of the Rastatter Freizeitpardies. The gas- and electricity equipment are only allowed to be used with the corresponding certificate (VDE ect.) and valid check plaque. The successful examinations have to be carried out by an expert of the Rastatter Freizeitpardies.

- The administration will be authorised to perform the house limits, that means the administration can refuse the welcome of persons, when this seems necessary.
- Any damage to the camping site/ establishment as a result of careless use will be charged to the user.
- At the entrance area as well as inside the camping site the winter service will be carried out only in limited scope. To strew salt or other harmful to the environment strew resources are not allowed. Harmful to the environment weeds destruction resources which are forbidden. Dung resources are only allowed to use in a effect on a environment way and quantity.
- Drink water pipelines, which have to lie within the parcel must be lain in an antifreeze depth. The connections, which penetrate the freezing area have to be insulated so that it wont disturb the operation.
- For each tent spot there is a fixed car park place. Your car has to be parked there please pay attention to the division.
